

The Hire Supply Company (UK) Ltd

EH115MKII / EH230MKII – ELITE HEAT MKII 2.8KW QUARTZ HALOGEN HEATER

Elite is a manufacturer of high quality products that are specifically built to withstand the rigours of the construction industry. The Elite Heat MKII infra-red heater is designed to be durable yet aesthetically pleasing making it an ideal source of heating in offices, retail, industrial, production lines, leisure, and basically anywhere that needs short wave spot heating.

Fitted with a patented "Spring Mounted Cradle Frame", the Elite Heat provides assisted vibration technology helping to reduce element breakages when being moved around sites keeping your downtime to a minimum.

Wheeled, this heater is highly portable, and with its swivel and fixed head it provides incredibly accurate and powerful heat.
